Great News!

We're excited to share that our magazine circulation has increased - and it's all thanks to your amazing support!

The feedback we've received has been incredibly positive, and as a result, we've now extended our distribution area to reach even more readers.

We'd love to invite charities to partner with us and feature their work in our upcoming issues. This is a fantastic opportunity to raise awareness, share stories, and connect with a wider community of readers who care.

Thank you again for your continued support in helping us grow and make a difference.

Our grateful thanks goes to all those businesses where you can pick up your copy of the magazine. These are Woollis & Sons Ltd, Butchers & Bakers of Louth, Co-op, Morrisons, Aldi and Tesco Stores, Spar Shops, Petrol Stations, Libraries, Post Offices, Newsagents and the Bacchus Hotel Sutton on Sea, plus Charity Shops and numerous other outlets within the county.

Our Conditions of Acceptance

When you advertise with us, you are in control. There are no long term contracts to sign. You just tell us when you want to advertise, and for how long.

Payment is required every two months

All advertisements will be included in each bimonthly magazine until a cancellation request is received. Notification of cancellation should be made within twenty eight working days prior to the next publication. In writing or by email, or Whatsapp.

Verbal notifications are not accepted

Advertisements in the Lincolnshire Advertiser for publications constitutes an assurance that the advertisement is legal, decent, honest, truthful complying with the British Codes of Advertising and Sales Promotions.

Inclusion in the Lincolnshire Advertiser is not the endorsement of a particular product. The magazine is community led, and is free to the public. This can only be achieved if the format of the magazine can attract a significant amount of adverts from local businesses.

The magazine is bi-monthly (February, April, June, August, October and December).

MUSHROOM AND ASPARAGUS RISOTTO

THIS quick risotto is full of flavour and very easy to make. Best served immediately, though any leftovers can be quickly chilled and made into risotto cakes to fry and enjoy the following day.

Ingredients

- 1 tbsp oil
- 1 large brown onion, chopped
- 1 large garlic clove, crushed
- 275g/9½oz risotto rice
- 100ml/3½fl oz dry white wine
- 150g/5½oz asparagus spears, stalks sliced into rounds and tips reserved
- about 800ml/1½ pint hot chicken or vegetable stock
- 350g/12oz mixed button and chestnut mushrooms, sliced
- 75g/2½oz Parmesan, grated
- 1 bunch chives, snipped
- large knob of butter
- salt and freshly ground black pepper

Method

- 1** Heat the oil in a wide-based shallow saucepan. Add the onion and garlic and fry for a few minutes over a high heat.
- 2** Stir in the rice to coat the grains. Pour in the wine and boil for a few minutes until nearly evaporated. Toss in the sliced asparagus stalks and add the hot stock, a ladleful at a time, stirring over the high heat, until all the stock has been absorbed, and the rice is just tender. Make sure that each spoonful of stock is absorbed before adding the next. From when the first ladle of stock is added, it should take around 20 minutes to cook.
- 3** Add the mushrooms and the asparagus tips and stir for about 3 minutes until well combined with the rice and just softened.
- 4** Cover and simmer on a low heat (or put in a 150C/fan 130C/gas 2 oven) for 2-3 hours or until the beef is meltingly tender, checking after 2 hours. Season, then stir through the parsley, extra rosemary and thyme, and serve with mash.

Prep 30 mins **Cook:** 10-30 mins **Serves:** 4

NEW "HOPE WARRIORS" PARKINSON'S SUPPORT GROUP LAUNCHES IN NORTH HYKEHAM

A new friendly Parkinson's support group is launching in North Hykeham to bring people together for friendship, encouragement and practical support.

Hope Warriors has been set up by Karen, a Lincolnshire resident who is living with Parkinson's and is passionate about ensuring that no one faces the condition alone. Karen also shares her journey online through her YouTube channel, Kaz My Life with Parkinson's, where she offers honest insights into day-to-day life with the condition.

The group will meet **every fourth Monday of the month** at: **The Ark, Moor Lane, North Hykeham, Lincoln 1:30pm – 3:30pm** Starting on **23rd February**

Hope Warriors aims to provide a warm and welcoming space where people living with Parkinson's, as well as family members and carers, can meet others, make new friends, enjoy a cuppa and homemade cakes, and receive support and advice in an informal setting.

Karen said: "Living with Parkinson's can sometimes feel isolating, but no one should feel they have to manage it alone. Hope Warriors is about friendship, understanding and supporting one another. Whether you've been newly diagnosed or have been living with Parkinson's for years, everyone is welcome."

The group is proudly supported by **BMOT (Beverley Maw Occupational Therapy)**, who have

supported Karen over the past 12 months. Their involvement helps ensure attendees can also access informed guidance and reassurance in a relaxed, community environment.

Both Karen and Beverley are available for interviews or to answer any questions.

REIGNING MISS LINCOLNSHIRE - WHO'S WINS TRIP TO ITALY TO COMPETE A

AN emergency responder from Grimsby has been crowned Miss Progress UK 2026, in Leicester earning the honour of representing the United Kingdom at Miss Progress International in Puglia Italy 29th May - 7th June 2026.

Mary Jennings, 22, sponsored by Cetuem Cosmetics London is the reigning Miss Lincolnshire. Mary impressed judges during a competition photoshoot and her powerful interview where she presented her personal project, SWIFS - Supporting Women Into the Fire Service at the 1 day event in Leicester.

Her award winning initiative aims to encourage, mentor and support more women pursuing careers within the fire and rescue services, promoting equality and representation in emergency response roles.

A passionate sportswoman, Mary is also a dedicated rugby player, and captain of the Cleethorpes Ladies Rugby team demonstrating the strength, resilience and teamwork that reflect both her career and her advocacy work.

The Miss Progress international event brings together women from around the world who champion meaningful social projects aligned with progress, sustainability and empowerment.

She was crowned by reigning Miss England titleholder Grace Richardson, from Leicester, an environmental advocate who is preparing to represent England at Miss World 2026 with her "Beauty with a Purpose" project focused on sustainability and water conservation.

ALSO CLEETHORPES RUGBY CAPTAIN - AT MISS PROGRESS INTERNATIONAL

Mary and Grace share a unique connection, having both previously competed in Miss England 2024 & 2025 representing Lincolnshire and Leicestershire respectively.

Speaking after her win, Mary said, "I'm absolutely thrilled and honoured to have been crowned Miss Progress UK. This opportunity means so much to me. I'm excited to take SWIFS to the international stage and help spread awareness about supporting more women into the fire service."

Miss Progress UK is part of the Women for Progress movement, now in it's 11th Year based in Italy celebrating women who combine ambition with purpose and social impact.

RSPCA LINGS MID, NE & LINCOLN

WHAT WE DO

RSPCA Lincolnshire Mid, North East & Lincoln Branch rehabilitates and re-homes animals rescued by our Inspectors, as well as helping local animals in the county.

We also promote responsible pet ownership, hold microchipping days and donate pet food to local food banks, along with holding fundraising events throughout the year. Our Animal Welfare Fund is also there to help local people who may find themselves with an unexpected vet bill or who are struggling with the current cost of living crisis.

Our branch receives no Government money or any Lottery funding so the amount of help we can provide for animals is entirely dependent on how much money is generously donated by local people. We also work with other local animal charities because with our limited funds, we cannot do it all on our own.

OUR BRANCH HISTORY

The RSPCA Lincolnshire Mid and Lincoln St Mark's Charity Shop and office building was originally a Church Hall and Sunday School built for St Mark's Church in 1875. In 1920, the building was gifted to the

branch by Mrs Dorothy Bergne-Coupland who was the chairman of the branch at the time. In 1991, the building received Grade II listing status.

St Mark's Church formerly stood on the site of Tesco Express, just on the other side of the road to the Church Hall, having been built in 1872 and designed by Lincoln architect, William Watkins. The Church had a beautiful 120ft

Old photo showing the church on St Marks, Lincoln where our branch started.

spire with a clock, seating around 350 people. The Church was demolished in 1972 and the site sold for redevelopment.

In December 2016, the branch seeking to expand their income generation undertook a lease for a shop in Lambeth House on Woodhall Drive in the Ermine. This became our second charity shop location, however closed in June 2023.

In April 2018, the branch secured a further lease on a property in Woodhall Spa, opening our third charity shop. Popular and successful, the decision was made to purchase the shop building – not only securing the branch's position within Woodhall Spa, but ensuring the income this location brought in. Since its opening, the RSPCA Lincolnshire Mid and Lincoln Charity Shop in Woodhall Spa has been crowned winners of the 1940s Shop Window competition, and is highly spoken of within the locality and beyond.

Fast forward to April 2024, the RSPCA Lincolnshire Mid and Lincoln Branch, together with the Lincolnshire North East Branched merged, expanding the existing branch area to become RSPCA Lincolnshire Mid, North East and Lincoln Branch – the biggest in Lincolnshire!

RSPCA Lincolnshire Mid, North East and Lincoln Branch is committed to preventing cruelty and promoting kindness to animals.

Our branch comes under the umbrella of the RSPCA (Royal Society for the Prevention of Cruelty to Animals), which was the first animal welfare charity to be founded in the world in 1824, with the aim of helping pets, farm animals and wildlife.

OUR SHOPS PROVIDE MUCH NEEDED FUNDS FOR OUR BRANCH

We currently have three wonderful charity shops operating across our branch area! If you find yourself in the area, have a wander into our Woodhall Spa shop! Or, see yourself into St Marks for some great things on sale! If Steep Hill beckons you, say hello to our High Street bargains!

These shops are fundamental for our ability to continue to care for animals, and along with our branch hub, are extremely important in being visible within our local area. If you would like to be out and about during the day to meet new people, consider volunteering in one of them!

Volunteering is so worth it - however many hours you can

offer - we have a lovely friendly team here to work with, lots of laughs with a variety of jobs – no one day is the same. There are also volunteering opportunities in Fostering, Fundraising, Home Visiting and becoming a Trustee for the branch.

Application process

Please complete a general volunteer application form, either by downloading from our website <https://www.rspca-lincoln.org.uk> or collecting a hard copy from one of our shops! and send your completed form to our shop managers office @rspca-lincoln.org.uk.

At that point, you will be invited to come in for an informal chat with the manager at your specified shop about volunteering with us.

If once you have spoken to us

about the role, you would like to proceed with your application, we will request your two references. You will also need to arrange to provide a passport sized photograph for your ID badge which you will need to wear when volunteering in the shops - this helps our customers know who they can approach if they need assistance.

Once your positive references have come back and you have been approved as a shop volunteer, you will be sent a link to complete online Health and Safety training and a medical questionnaire for you to complete.

Once you have completed your health and safety training and submitted your medical questionnaire, our shop manager will contact you to arrange a start date!

OUR WOODHALL SPA SHOP

We opened our shop in April 2018 and during the summer months (April – end of September).

We open seven days a week. In our shop you can find Ladies, Men's and Children's wear along with Bric a Brac and unusual items.

Woodhall Spa has a lovely community feel about it and we feel very lucky to have a shop here.

Kim Drew (Shop Manager) added:

I am so proud of our shop; we were conscious when we opened a shop in Woodhall Spa that we wanted it to have a more boutique style to it as the shop had previously been a Ladies Boutique. With our team of eighteen staff and volunteers (many of which have been with us since day one) I believe we have managed to achieve just that!

THE NEW BMW i4

ON paper the i4 sits in the sweet spot of BMW's model range. It's got striking looks, a posh interior, four seats and a good-sized boot.

In practice though, it's not as spacious inside as it seems and while it's very capable on all sorts of roads, it's not as thrilling as its petrol-powered alternatives. Under the skin it's a BMW 4 Series Gran Coupe, albeit electric-powered. It's a bit like an electric stove-top, which can cook whatever you need and it is to live with than a gas cooker, but there's a touch less charm to it than its old-school counterpart.

It's got some rather compelling alternatives, chiefly the hugely practical Tesla Model 3, handsome BYD Seal or Mercedes CLA Electric with its whopping 484-mile range, plus sibling rivalry with the petrol BMW 3 Series.

The i4 has a sleeker silhouette than the 3 Series and the Tesla, with a swoopy roofline, flared wheel arches and haunches over the rear wheels. The rear end has pretty, intricate taillights and a sporty diffuser, but while less outrageous than at launch, the front hasn't aged all that well; bucktooth grille

as love-or-hate as ever.

Inside, the i4 is much less divisive. The dashboard layout is much the same as in its petrol-powered counterparts; handsome with crisp, widescreen displays - but the climate controls are annoying to use. The classic iDrive rotary controller on the centre console is a delight, but there are still too many menus to navigate.

The entry-level i4 eDrive 35 gets 286hp, a 67.1kWh battery and can travel up to 311 miles on a charge, while eDrive 40 models get a larger 81.3kWh battery, 340hp motor and up to 380 miles of range. The top-dog, four-wheel drive i4 M60 has a mighty 601hp from its dual motors and up to 334 miles to a charge.

YOUR HOROSCOPES

ARIES (March 21 - April 19)

With the arrival of spring, you will feel a high dose of motivation to exercise, and thanks to your strong will, which you will definitely not lack during this period, you will feel great changes in a moment. Organising and efficiency will become your strong point, especially at work.

TAURUS (April 20 - May 20)

You will be more spontaneous, so do not be afraid to take full advantage of every opportunity, but a certain amount of prudence would be appropriate. You will also be full of physical strength, which you will put to good use in sports activities. But be careful not to overdo it.

GEMINI (May 21 - June 20)

Gemini's moods will change like the weather, and the need to always have the last word will strengthen. However, this approach can drive away your friends, and they will want to keep their distance from you. So you don't unnecessarily argue with someone you really care about.

CANCER (June 21 - July 22)

You can expect an uncontrolled outburst of emotions that can cause significant problems in both personal and professional life. Your behaviour will be mostly impulsive, so during this period, try to focus on inner peace and try to think things through before you say something.

LEO (July 23 - August 22)

Whether it's a change in your behaviour, in the lifestyle, at work, or a change in your visage, you'll enjoy life to the fullest. However, it will also bring some negatives. You will want to get rid of your current obligations and enjoy your freedom. You might regret such changes later.

VIRGO (August 23 - September 22)

During this period, you will start to cling to many things and want everything right away, which will keep you in constant tension. At the same time, you will be prone to making up scenarios, which can often lead to disappointment. Try to just enjoy the present moment.

LIBRA (September 23 - October 22)

Libras will be on the top of the world during this period. Everything will work in harmony at home and work, and it will be a great time to go on a short holiday. Try to come up with a family trip for a few days. In particular, your parents would appreciate it as you haven't spent much time with them.

SCORPIO (October 23 - November 21)

Your moods will be changing, and even minor things might throw you off balance. Therefore, it is advisable that you learn how to work with your emotions because otherwise, your changing moods could discourage your friends and family from spending time with you.

SAGITTARIUS (November 22 - December 21)

This will be an excellent time for going back to family values. Try to spend as much time as possible with your children, but don't forget your partner either. You can also try inviting your parent or a sibling on a trip just for you two since it's been a while since you've had time for each other.

CAPRICORN (December 22 - January 19)

You will be able to put a maximum of your energy to work, spending days and nights there. At the start it will look like your body is dealing with it well, but the tiredness will hit you later, and you might experience migraines and back pain, so do not work too much and give yourself enough rest.

AQUARIUS (January 20 - February 18)

Aquarians should prepare themselves for many changes in their private lives. You will be very volatile and you will find yourself in a phase of searching for sexual satisfaction. But be careful not to hurt anyone because you will have tendencies to do it.

PISCES (February 19 - March 20)

Pisces will seem like different people due to the influence of Mercury. On the one hand, your speaking skills will improve unbelievably, which can benefit you in many ways, but it will also bring along the temptation to manipulate others.
