TO THE LINCOLNSHIRE ADVERTISER

FROM THE EDITOR...

Great News!

Congratulations to everyone who recently won on the Postcode Lottery in Lincolnshire!

The Lincolnshire Advertiser Magazine has been receiving fantastic feedback, with many businesses reporting great success from advertising in our magazine. This success is thanks to our loyal readers who continue to support the businesses featured in the Lincolnshire Advertiser Magazine.

We would also like to extend a huge thank you to our distributors and to all the outlets that kindly accept and display our magazines with permission in place. Your continued support is truly appreciated.

We'd love to invite charities to partner with us and feature their work in our upcoming issues. This is a fantastic opportunity to raise awareness, share stories, and connect with a wider community of readers who care.

Thank you again for your continued support in helping us grow and make a difference.

Our grateful thanks go to all those businesses where you can pick up your copy of the magazine, including

Woolless & Sons Ltd Traditional Butchers & Bakers of Louth, Co-op, Morrisons, Aldi and Tesco stores, Spar shops, petrol stations, libraries, post offices, newsagents, the Bacchus Hotel Sutton on Sea, charity shops, and numerous other outlets throughout the county.

Our Conditions of Acceptance

When you advertise with us, you are in control. There are no long term contracts to sign. You just tell us when you want to advertise, and for how long. Under Our Conditions of Acceptance, it is the advertiser's responsibility to cancel ongoing advertising and to provide any updates or amendments to artwork ahead of publication deadlines.

Payment is required every two months

All advertisements will be included in each bimonthly magazine until a cancellation request is received. Notification of cancellation should be made within twenty eight working days prior to the next publication. In writing or by email, or Whatsapp.

Verbal notifications are not accepted

Advertisements in the Lincolnshire Advertiser for publications constitutes an assurance that the advertisement is legal, decent, honest, truthful complying with the British Codes of Advertising and Sales Promotions. Inclusion in the Lincolnshire Advertiser is not the endorsement of a particular product.

The magazine is community led, and is free to the public. This can only be achieved if the format of the magazine can attract a significant amount of adverts from local businesses.

The magazine is bi-monthly (February, April, June, August, October and December).

HYUNDAI IONIQ 5

THE Hyundai Ioniq 5 is an electric car with deceptive proportions.

It might look like a compact hatchback, but it's closer in size to the Skoda Enyaq, Tesla Model Y and Kia EV6 SUVs. It's also a truly excellent electric car with a long range, fast charging and a superb interior - but unless you opt for the wild Ioniq 5 N it's not much fun to drive and it is outdone by newer alternatives on efficiency.

Though it was launched way back in 2021, the Hyundai Ioniq 5 is still a true standout on the road. It's testament to how good the madcap, 8-bit styling is that even several years on it still looks funky and fresh. It's like having a friend with a rainbow mohawk - no matter how often you see it, your head still turns.

The Ioniq 5's design is a bit more conventional inside, falling in line with Hyundai's other SUVs such as the Santa Fe and Tucson - but it still looks and feels great. You get a pair of big screens set underneath one seamless sheet so they look like a single widescreen display - that is, if you opt for the darker interior trim.

In everyday driving, the Ioniq 5 is super-comfortable on the motorway and quiet and refined no matter where you go. It's not quite as much fun on a twisty road as a Kia EV6 or Ford Mustang Mach-E, but if you're not looking for ultimate driving thrills then you'll enjoy driving the Ioniq 5.

There are two different batteries available for the Ioniq 5. The smaller of the two is 63kWh in capacity and can do a still-impressive 273 miles per charge. The larger model gets an 84kWh battery and will do 354 miles on a charge. While those are good figures, the latest alternatives such as the long-range Peugeot E-3008 can manage over 400 miles between top-ups.

At a glance

Battery range: 273-354 miles

Efficiency: 3.4-3.9 miles per kWh

Battery size: 63kWh / 84kWh

Max charge speed: 260kW

Charge time AC: 10hrs 50mins 0-100% at 7.4kW / 11hrs 20mins, 0-100% at 7.4kW

Charge time DC: 18 mins, 10-80% at 260kW

LINCOLNSHIRE'S BEST BEACHES

WHEN it comes to beaches in the UK, the South or West Coasts often gets all the plaudits.

However, the East Coast also has some seriously underrated spots. With the arrival of summer, here is our guide to some of the best beaches in the Lincolnshire area.

Fitties Beach, Humberston

A couple of miles down the coast from Cleethorpes, this beautiful beach enjoys impressive views of the boats and ships travelling along the Humber Estuary as well as the two Humber Forts rising out of the water.

Skegness Beach

One of the best beaches in Lincolnshire, Skegness beach has won awards for its clean water. It's one of the biggest sandy beaches in the UK, and the many attractions of Skegness are all close at hand. With a wooden pier that's free to visit, donkey rides, a nearby boating lake, paddling pool and aquarium, there's something for everyone.

Mablethorpe Beach

One of the most tranquil beaches in Lincolnshire, and within walking distance of the Golden Sands Holiday Park, this is an endless beach with plenty of space to spend a sunny day by the Blue Flag waters. The local attractions include minigolf, go-karts and an amusement park that is sure to be a hit with the kids.

Cleethorpes Beach

Cleethorpes Beach has all the facilities of Skegness with the relaxed vibe of rural Lincolnshire. Another area of gorgeous golden sand, Cleethorpes ties in nicely with a wider exploration of Lincolnshire's coast.

Saltfleetby Theddlethorpe Dunes Beach, near Mablethorpe

A glorious stretch of sand for a walk, this magnificent beach has plenty of room. At high tide, it can take visitors as long as 20 minutes to reach the water, and its dunes are a National Nature Reserve.

Sandilands Beach, Sutton-on-Sea

14 minutes from Golden Sands, Sandilands is a beautiful stretch of sandy beach and promenade that's lined with traditional beach huts. This beautiful and natural golden area stretches for miles and is an ideal quiet coastal spot for dog walking and enjoying the fresh sea breeze.

Moggs Eye Beach, Huttoft

In 2020, The Guardian listed Moggs Eye, also known as Huttoft Beach, as one of the best beaches to go walking on in the country. This gently sloping sandy beach is backed by grassy sand dunes and is worthy of its recognition as a tranquil location. Just south of the beach is Derby Creek, a reserve that's good for spotting marsh harriers, ducks and rarer birdlife.

YOUR HOROSCOPES

ARIES (March 21 - April 19)

Due to unfinished work, you will feel light fatigue and demotivation to work. However, don't let stress control you and go for a drink with friends who will help you clear your head and cheer you up. Maybe you will organise a long-awaited vacation or trip together.

TAURUS (April 20 - May 20)

Old blocks that you have been carrying for a long time will start to surface and may even cause mental problems associated with depression. Don't be devastated by it and, on the contrary, try to take it as a great opportunity for change, especially in your personal and love life.

GEMINI (May 21 - June 20)

This period directly encourages you to plan an exotic holiday, where you will have time to study foreign languages and learn about a new culture. You will want to have freedom, so building relationships will not be a priority this month.

CANCER (June 21 - July 22)

During this period, you will feel very confident and attractive, which will work as an aphrodisiac for others, and they will not take their eyes off you. You have a unique opportunity to choose, so do not be afraid to be demanding and use this opportunity to establish new relationships.

LEO (July 23 - August 22)

You will get into situations that will infuriate you and awaken in you very strong emotions that you will not be able to cope with. In addition, you will take everything more personally than ever before, which will just support your emotional outbursts.

VIRGO (August 23 - September 22)

You will be depressed because you don't move anywhere in your life, and even though you try to do your best to change your thinking, you still can't. Your negative mood will affect you so much that your work colleagues will notice it, and they will start to distance themselves from you.

LIBRA (September 23 - October 22)

Libra will begin to doubt themselves, and this will be reflected in their performance. You will need to be praised and reassured that you are doing well. You will also start to face anxieties that can cause you problems at work, as this will impair your concentration. lately.

SCORPIO (October 23 - November 21)

Scorpios' emotions will strongly influence everything that happens around them. You will take anything that happens personally. In some cases, you could be even hysterical, which could affect the others' view of you, which could have fatal consequences, especially at work.

SAGITTARIUS (November 22 - December 21)

You will meet someone who will show you the way which you will later decide to follow. This person shows up in your life for a certain reason, so perceive them as your guide and try to absorb as much of the information and advice they give you as you can.

CAPRICORN (December 22 - January 19)

You will be lucky this month, and you will have lots of opportunities to meet your soulmate and partner. You will have professional flirting skills, and even the people you would never expect to be attracted to you will be literally amazed by you.

AQUARIUS (January 20 - February 18)

Finally, you will be able to get rid of your past and just flow in the present moment. Your unique sense of humour will attract the attention of many people, and you will amaze people of the opposite gender. In this period, regarding your social life, you will be able to get anything you want.

PISCES (February 19 - March 20)

You should use the fact that you are so straightforward and do exactly what you will feel like at the given moment. It is also an ideal time to experience some adventure. Don't hold yourself back and visit some exotic place or try some adrenalin sport.
