Discover Dubai

The sun-soaked modern metropolis where **anything** is possible...

FROM shopping and dining to daring skywalks, desert adventures and thrilling waterparks, Dubai has it all.

Dubai is a fast-paced, cosmopolitan city and one of the most sought-after holiday destinations all year round.

Whether you're planning to visit in the summer

or winter, let this guide to some of the best experiences in the city inspire you.

Family fun

With year-round sunny weather, every day is a beach day. Make a splash along the Arabian Gulf or enjoy family adventures at some of the world's best theme parks and waterparks, including Aquaventure waterpark at Atlantis, The Palm. You'll never be short of aquatic thrills... indoors or outdoors.

Dining /nightlife

Dining in Dubai means enjoying a global menu with stunning views. Choose from romantic dining on the beach to lively party brunches and authentic Emirati experiences. Just what you need after a day at the pool or before a world-class show at Dubai Opera. Into the night you can party on the beach or watch this fantastic city light up from a rooftop bar.

Culture

One of the best places to start your Dubai experience is at Dubai Museum in the historic area by the Dubai Creek. Discover Dubai's pearl diving roots and take a traditional boat ride between the textile, spice and gold souks.

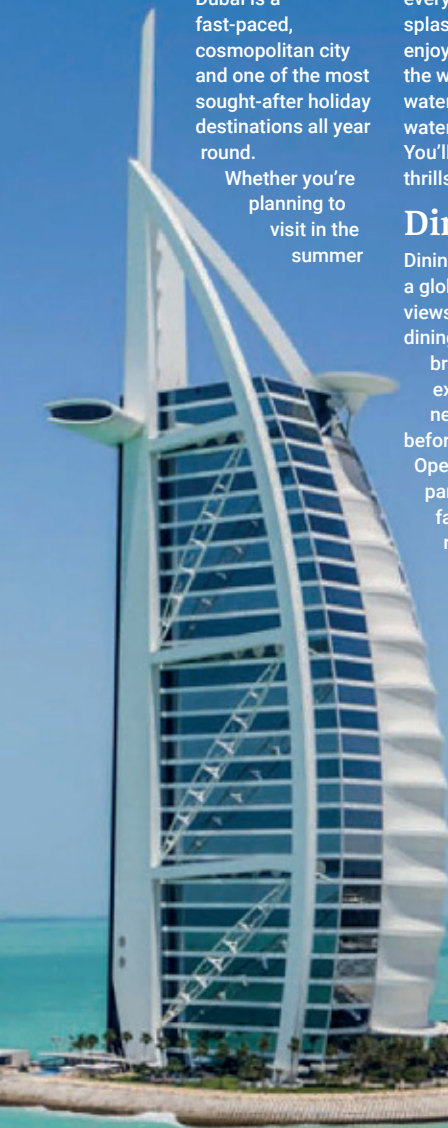

Adventure

See the city from above at Skydive Dubai, or brave the edge walk with family and friends to enjoy spectacular views of the Burj Khalifa and the Dubai Fountain. You can also visit an indoor tropical forest with over 3,000 plants and animals at The Green Planet.

Amazing sights

Dubai's skyline is dotted with architectural marvels and surprising feats of engineering. Start your holiday with a visit to the top of Burj Khalifa, the world's tallest tower, or fast forward in time at the Museum of the Future.

Dubai Mall

With over 1,300 shops, 200 dining options, an indoor theme park, ice rink, aquarium and underwater zoo, the Dubai Mall is more than just a shopping mall - it's a complete leisure and lifestyle destination.

Palm Jumeirah

Palm Jumeirah is one of the largest manmade islands in the world and is home to residential buildings and waterfront villas, as well as a glamorous array of 5-star hotels, including the Atlantis, The Palm.

Madinat Jumeirah

Literally meaning "City of Jumeirah", Madinat Jumeirah is patterned after ancient citadels, complete with a traditional souk and winding alleyways that connect 4 hotels in a luxury resort complex.

Dubai Marina

The world's largest manmade marina brings the Arabian Gulf practically to your doorstep. Along its three kilometre-long waterway stand some of the tallest and most uniquely designed residential towers in the world.

Jumeirah Beach Hotel

The wave-inspired Jumeirah Beach Hotel is the perfect complement to the nearby sail-shaped Burj Al Arab. It also sits on one of the best stretches of beach along the Dubai

coastline, a family favourite for relaxing weekends.

Dubai Opera

Designed like the traditional sailing vessel, the dhow, the Dubai Opera is a dynamic structure that easily converts from traditional theatre and concert hall to banquet hall and exhibition space as needed.

The Walk and Beach at JBR

The Walk is a chic waterfront strip where you can stroll, dine, shop and even catch a movie by the water - the perfect way to cap off your day spent swimming, sunbathing or enjoying the water sports at the Beach at JBR.

Fiery sausage and butter bean stew

CELEBRATE bold Calabrian chillies in this hearty stew.

Ingredients

- 1 pack (400g) Italian-style pork sausages
- 2 tbsp olive oil
- 1 pack (400g) Italian-style sausages, halved lengthways, sliced
- 2 brown onions, finely diced
- 4 cloves garlic, finely chopped
- 1 tsp fennel seeds
- 1 tbsp tomato purée
- 2 red chillies, sliced
- 200ml white wine
- 3 tbsp hot Calabrian chilli paste
- 400 ml chicken stock
- 2 tins (400g each) chopped Italian tomatoes
- 2 jars (430g each) butter beans in water, drained
- 4 sprigs fresh oregano, leaves picked
- 2 sprigs fresh rosemary, finely chopped
- 15g flat leaf parsley, roughly chopped

For the ciabatta

- 100g salted butter
- 1 tbsp chilli paste
- 1 clove garlic, finely grated
- 1 ciabatta loaf

Method

- 1** Heat the grill to medium. Place the Italian-style sausages on a foil-lined tray and grill for 20 minutes, turning occasionally, until cooked through.
- 2** Heat the olive oil in a large high-sided frying pan over medium-high heat. Add the Italian-style sausages and cook for 3-4 minutes. Add the onions and cook for 5 minutes, then stir in the garlic and cook for 2 minutes more.
- 3** Add the fennel seeds, tomato puree and sliced chillies and cook for 2 minutes. Pour in the wine and let it reduce by half. Stir in the Calabrian chilli paste and cook for a couple of minutes. Add the chicken stock and reduce by half again. Pour in the chopped tomatoes and bring to a gentle simmer. Reduce the heat, add the butter beans, oregano and rosemary and cook for 15-20 minutes over a low heat, until thickened.
- 4** Let the grilled sausages rest for a few minutes, then thickly slice and stir into the stew. Season well and finish with lots of parsley.
- 5** While the stew cooks, mix the softened butter with the chilli paste and garlic. Halve the ciabatta lengthways and place cut side up on a foil-lined tray. Spread with the chilli butter and grill for 7-10 minutes, until golden and crunchy. Serve the stew in warm bowls with the chilli ciabatta alongside.

Total cooking time: 45 mins Serves: 4

Spilsby Barber Celebrates 50 Years in Business

Huge congratulations to Bernard Ellerby, who celebrated an incredible 50 years in business as a barber in Spilsby this May.

For five decades, Bernard has been a familiar face in the local community, providing generations of customers with a warm welcome, friendly conversation, and professional service. Reaching such a remarkable milestone is a testament to his dedication, hard work, and commitment to

serving the people of Spilsby. Bernard and his wife would like

to express their sincere thanks to the Lincolnshire Advertiser Magazine and Lincs Signs for their kindness and support in helping to mark this special occasion. Their thoughtful gesture was greatly appreciated and made the celebration even more memorable.

From everyone at the Lincolnshire Advertiser Magazine, we congratulate Bernard on this outstanding achievement and wish him continued good health and every success for the future.

MOTORING

THE NEW AUDI RS5

THE Audi RS5 is incredibly fast in a straight line, sticks like little else in the corners and yet it's a refined, comfortable and easy car to live with at the same time.

Audi has established the RS badge as the name of its performance models, and the RS 5 is a mainstay of the range. RS cars benefit from input from Audi Sport, the company's motorsport division, and the RS badge carries as much weight with performance car fans as the M badge from BMW and Mercedes' AMG brand.

The RS 5 is the fastest version of the A5 on sale, available in two-door Coupe and five-door Sportback body styles. It slots in above the S5 models and features the same running gear as the high-performance RS 4 Avant estate. That means it gets a 2.9 TFSI 444bhp twin-turbo V6 under the bonnet, quattro four-wheel drive and an eight-speed Tiptronic automatic gearbox as standard. This gives a 0-62mph time of 3.9 seconds, while the top speed is 174mph.

As you'd expect, the RS5 is mighty in a straight line,

especially as that four-wheel drive system means the wheels stick to the road - and it's the same story in the corners. It's easy to throw into bends and power out of them, relying on the clever torque control system to send power where it can help pivot the car around the bend.

The RS5's quick steering and grippy chassis are complemented by a stiff suspension set-up when you select Dynamic mode. This reduces roll and makes the car feel sharper - and the steering is weighted well and has a decent amount of feel.

Thanks to a pair of turbos, the V6 offers up 444bhp. This means the RS 5 can do 0-62mph in 3.9 seconds, and it does feel extremely quick when you pin the throttle.

The torque figure of 600Nm is eye-catching on the spec sheet, and you can certainly feel that on the road. From 1,900rpm to 5,000rpm it surges, though that does sacrifice the top-end somewhat, so short-shifting is the way to go here.

At a glance

Fuel: Petrol | **CO₂:** 208 g/km | **0-62mph:** 3.9 secs
Top speed: 174 mph | **BHP:** 450 | **Price:** £77,445

YOUR HOROSCOPES

ARIES (March 21 - April 19)

During this period, certain blocks that have been following you for a long time will also surface, and even mild health problems with your back will show up. That's why you should focus on yourself and start solving your problems; this month is the perfect time to solve many of them.

TAURUS (April 20 - May 20)

Due to your composure and peace of mind, you will spread positive energy and you will get in touch with interesting people with whom you will be on the same wavelength. However, long-term problems accumulate at work, and you may also face unpleasant disputes with your superiors.

GEMINI (May 21 - June 20)

During this period, you will be prone to impulsive behaviour and if you are not careful, it can backfire on you in the form of an unpleasant quarrel with your partner. Your life will be very hectic but don't forget to eat well to avoid the digestive problems you will be prone to this month.

CANCER (June 21 - July 22)

At this time, Cancerians will struggle with others as well as with themselves. You will be prone to stubbornness and intransigence. You will not follow the advice of others. However, it might do some good at certain moments as it will allow you to resolve seemingly forgotten wrongs of the

LEO (July 23 - August 22)

Wherever you walk in, you will be a welcome guest that everyone will want to chat with. Just don't let fame rise to your head. Of course, your partner will be proud of you, but try to show him - or her - that you care about him more than you do about your popularity.

VIRGO (August 23 - September 22)

After relatively calm months, a period of anger comes for Virgos. You will be very uneasy under the influence of Mars. You usually stay out of social events, and that won't change in August either. However, if someone breaks into your personal space, you will be furious.

LIBRA (September 23 - October 22)

Libra will be very sociable. Empathy will awaken, and thanks to that, you will become favourite mentors to your friends. You would do everything for others, so it will be fulfilling for you when your friends confide in you, and you will be able to advise and support them.

SCORPIO (October 23 - November 21)

Scorpios will be desirous, and they will follow their goals and ideals. You won't be able to relax until you achieve what you want, and you will be capable of overcoming any obstacles. Complications may occur in relationships, as you will experience emotions more intensely.

SAGITTARIUS (November 22 - December 21)

Sagittariuses won't be able to stop thinking about freedom and traveling. You will enjoy both day-trips and stays abroad. However, this time you should try to get out of the hotel's comfort zone and the beach and go exploring an unknown place. No doubt you won't regret it.

CAPRICORN (December 22 - January 19)

You will have problems with jealousy and with a desire to control everything. That can be potentially very problematic if you will not hold yourself back. You should find some creative activity through which you could express your feelings.

AQUARIUS (January 20 - February 18)

You will lose track of what you actually want in life, and you will be looking for help from your close ones. Sharing your troubles is definitely good for you because letting yourself be stuck in some depressive states is really not the best solution.

PISCES (February 19 - March 20)

Pisceans will want to spend every free moment by some shared activity with their friends or partner. You will enjoy being playful, and you feel comfortable and confident talking with a higher number of people as well; they will listen to everything you say.
